

1 Role

The function of the Remuneration Committee is to assist the Board to fulfil its corporate governance responsibilities with respect to remuneration by reviewing and making appropriate recommendations on:

- a) remuneration packages of senior executives (including directors);
- b) employee incentive and equity-based plans including the appropriateness of performance hurdles and total payments proposed;
- c) recruitment, retention and termination policies and procedures for senior executives; and
- d) superannuation arrangements.

2 Composition

The Remuneration Committee should be of sufficient size, independence and expertise to discharge its mandate effectively. Where practicable, executive directors will not be on the Remuneration Committee. Where an executive director does serve as a member of the Remuneration Committee, the remuneration of that executive director will be considered without the affected executive director participating in the decision-making process.

Membership of the Remuneration Committee currently comprises all of the Company's non-executive directors. Attendance at meetings by any executive directors is by invitation of the Committee Chair. The composition of the Committee is reviewed regularly and may change if it is determined to be of benefit to the Company.

3 Operations

Remuneration Committee meetings will be held not less than once a year to enable the Committee to undertake its role effectively. Minutes of all meetings of the Committee are to be kept.

4 Responsibilities

The duties of the Remuneration Committee are to:

- a) Fulfil its responsibilities in respect of establishing appropriate remuneration levels and policies including incentive policies for directors and senior executives (specifically the *Remuneration Policy* (CO-PL-007));
- b) Assess the market to ensure that senior executives are being rewarded commensurate with their responsibilities;
- c) Obtain the best possible advice in establishing salary levels;
