

## Mt Gill and Kurrajong Tenement Sale

Breaker Resources NL (ASX: BRB, **Breaker**) is pleased to advise that it has agreed to the sale of its Mt Gill and Kurrajong Project tenements to enable an increased focus on its recent gold discovery at the Lake Roe Project.

The 167km<sup>2</sup> Mt Gill Project, comprising tenements E38/2513 and E38/2529, has been purchased by Gold Road Resources Limited (**Gold Road**) and the 54km<sup>2</sup> Kurrajong Project (E38/2531) has been purchased by Gold Road and its South Yamarna joint venture partner Sumitomo Metal Mining Oceania Pty Ltd (**Sumitomo**). The total consideration for the transaction is \$50,000 cash with Breaker receiving a further \$1million in the event of 500,000 ounces in a JORC-compliant Resource being defined across any of the three sale tenements.

### About Breaker

Breaker Resources NL is a significant tenement holder in WA's Eastern Goldfields Superterrane in the Yilgarn Craton. Breaker's objective is the discovery and development of large new, greenfields gold deposits. Its long-term exploration strategy focuses on the use of innovative multi-element geochemical techniques to identify new gold systems concealed by transported cover in unexplored parts of a world class gold province, WA's Eastern Goldfields Superterrane in the Yilgarn Craton. The Company's research and development project activities augment this strategy.
